

A close-up photograph of several citrus fruits, including oranges and a lime, with a white curved line separating the image from the green background.

# 2021

## Industry Statistics

## 2020 Export Season

## **Preface**

The Citrus Growers' Association relies on growers to submit tree census information each year before going to press.

Readers should bear in mind that this booklet represents data for the 2020 export season.

## **Disclaimer**

This booklet has been compiled with information presently available and in good faith but with the express condition that the Citrus Growers' Association accepts no liability whatsoever for any loss or damage resulting from the use thereof.
