Citrus Logistics and Vessel Status Update

Issues and developments regarding the exporting of citrus at this time –

1. Attached is an updated received from TPT regarding the reefer season readiness for KZN and E Cape. A conference call will take place with TPT on Monday 4 May to discuss the document. If there is any feedback please send by 9am Monday 4 May.
2. We understand the issues regarding the DCT truck booking system and the problems of not adhering to the booking slot. We have proposed to TPT to amend the booking to 4 hour slots to cater for potential delays. Any other recommendations can be addressed with TPT.
3. Transport Forum SIG will be hosting a live online event on 7 May titled "Port Operations in 2020". This should give first hand insight in terms of TPT present and future operations outlook. Register on the following link: <https://www.transportsig.com/74-next-sig-meeting/933-transport-forum-sig-7-may-2020>
4. If there are any logistics issues which need to be addressed by national government, please contact CGA as we can add these issues to the Bureau for Food and Agriculture Policy (BFAP) database. These issues are being elevated to national government for resolution.
