# WEATHER FORECAST

**WEATHER SYSTEM  
MAKING LANDFALL IN  
CT, PE & DUR TODAY  
TO WEDNESDAY.**

- CT IMPACT UNTIL  
TUES 14/07**
- PE IMPACT UNTIL  
WED 15/07**
- DUR IMPACT TUES  
14/07 TO WED 15/07**

# **General Feedback**

- 1. Durban cold store capacity set to be congested due to stack date delays as a result of vessel working delays and weather delays.**
- 2. Expecting high volume of truck arrivals into Durban this week as consignments that were delayed from being transported from last weeks truck protest action.**
- 3. Kindly note that the level of positive cases detected at PE, Coega and Durban ports is on the increase with daily positive cases being detected. Operations at terminals is being affected although business continuity measures have been applied therefore operations continue.**
- 4. CGA, FPEF, PPECB, SAAFF and TPT (planning and ops) will be holding weekly reefer do-ability telecoms (Wednesdays), any pressing issues can be tabled with CGA, FPEF, PPECB or SAAFF and this will be tabled with TPT.**
- 5. Please note that CGA will distribute extensive production and export statistics data every Friday at midday.**
