

LEVY COLLECTION 2018

Since 2001 the Citrus Growers Association (CGA) has been the administrator of the levy collected to fund research, market access, transformation, information and logistics activities in the citrus sector. The National Agricultural Marketing Council (NAMC) approved a new statutory levy collection period starting in the 2017 season. The CGA levies for this period are as follows:

Period	Levy amount before VAT
2018	4.666 cents per kg. (70 cents per 15kg carton)
2019	4.800 cents per kg. (72 cents per 15kg carton)
2020	4.933 cents per kg. (74 cents per 15kg carton)

The notices of these new levy amounts were published in a Government *Gazette* notice dated 2 December 2016.
