WEATHER FORECAST

ALL CLEAR NEXT FEW DAYS.

General Feedback

- 1. High volume trucks arrivals expected into Durban cold stores again this week due to high production of Valencias from the northern regions. Expect delays as cold store capacity at high levels at this time.**
- 2. Additional citrus reefers will be routed by rail via Tzaneen, Bela Bela, Musina and City Deep over the next 3 weeks.**
- 3. Kindly note that the level of positive cases detected at PE, Coega and Durban ports is on the increase with daily positive cases being detected. Operations at terminals is being affected although business continuity measures have been applied therefore operations continue.**
- 4. CGA, FPEF, PPECB, SAAFF and TPT (planning and ops) will be holding weekly reefer do-ability telecons (Wednesdays), any pressing issues can be tabled with CGA, FPEF, PPECB or SAAFF and this will be tabled with TPT.**
- 5. Please note that CGA will distribute extensive production and export statistics data every Friday at midday.**
