

SOUTHERN AFRICAN CITRUS IMPROVEMENT SCHEME: CERTIFIED NURSERIES (Mar 2020)

NB!!! Please note that according to the Agricultural Pest Act (Act No. 36 of 1983), movement of propagation material (trees and budwood) of citrus and/or related plants is prohibited from Citrus Black Spot (CBS) and Citrus Greening infected districts to districts free from these diseases.

Nurseries should advise their clients to adhere to these control measures, as they are in place to prevent the spread of CBS and Citrus Greening. The maps and tables illustrating where citrus plants can be moved legally within South Africa were described in Cutting Edge 162 and 170, available on the CRI website: www.cri.co.za. For more information contact the CIS at telephone **041-992 5366** or email cis@cri.co.za
