Dear Mr. Justin Chadwick

RE: AUDIT ON THE APPLICATION OF THE FALSE CODLING MOTH MANAGEMENT SYSTEM (FMS) ON CITRUS INTENDED FOR EXPORT TO THE EUROPEAN UNION

The National plant Protection Organization of South Africa (NPPOZA) will commence with audits on the various control points of the citrus FMS e.g. production units, pack houses, cold storage/ loading facilities and the Perishable Products Export Control Board (PPECB).

The objective of the audit is to verify whether the national application of the citrus FMS at the above mentioned control points is in accordance with the provisions of the FMS document. The audits will resume in the month of June 2019 until the end of the season. The project leadership is as follows:

1. National coordinator: Ms Mashudu Mudzwiri- mashudumud@daff.gov.za
2. Western Cape: Ms Meagon Swartz- Meagons@daff.gov.za
3. KZN and Free state: Ms Gabisile Mthethwa- GabisileM@daff.gov.za
4. Eastern Cape and Nothern Cape: Mr Samkelo Ngiba- SamkeloN@daff.gov.za
5. Gauteng, Limpopo, North west: Mr Seraga Mogodi- SerageM@daff.gov.za
6. Mpumalanga: Mr Frans Makola- FransM@daff.gov.za

The cooperation of the citrus industry is highly appreciated.

Yours faithfully,

K.E. Phoku (Mr)
Director: Inspection Services

CC: Citrus Research International (CRI)
Fresh Produce Exporters Forum (FPEF)
Perishable Products Export Control Board (PPECB)
